

## **NanoforumEULA workshop: Priorities in Nanomaterials Research in Latin America and Europe**

**Cancun, in conjunction with XVI International Materials Research Congress, 23 August 2007**

**Participants fee: free for this workshop (normal fee for attending XVI IMRC congress)**

### **PROGRAMME VERSION 25 July 2007**

- 9.00 Welcome to participants by Mauricio Terrones, IPICyT, chairman
- 9.15 The NanoforumEULA project: stimulating Nanonetworking Europe and Latin America by Ineke Malsch, Malsch TechnoValuation
- 9.30 The European Union's Seventh Framework Programme for RTD: opportunities for Latin American Researchers, by Pilar Aguar, European Commission
- 10.00 Review of nanotechnology R&D programmes in Mexico (Jesús González, CIMAV) TBC
- 10.30 Coffee/tea and poster session (the posters are on display in the same room all day)
  - Presentations by leading Latin American nanomaterials researchers collaborating with European partners:
- 11.00 Humberto Terrones, Mexico
- 11.15 Jacobus Swart, State university Campinas, Brazil
- 11.30 Petrus D'Amorim, RENAMI, Brazil
- 11.45 Ernesto Calvo, Universidad de Buenos Aires Argentina
- 12.00 Fernando Lund Chile
- 12.15 Colombia TBC
  - Presentations European Nanomaterials researchers collaborating with Latin American partners:
- 12.30 Jurriaan Schmitz, MESA+, University of Twente, Netherlands
- 12.45 Pascal Sire, MINATEC, France
- 13.00 Andreas Leson, Fraunhofer IWS, Germany:
- 13.15 Teresa Cuberes, Laboratorio de Nanotécnicas, Universidad de Castilla-La Mancha, Spain: TBC
- 13.30 David Rickerby, EU JRC institute for Environment and Sustainability
- 13.45 Lunch
- 15:45 Maurizio Prato, Univ. Trieste, Italy.
- 16:00 Brokerage session: up to 12 interested participants can present their cooperation project proposals in five minutes
- 17:00 Roundtable Euro-Latin American nanotechnology collaboration
- 18:00 Close of the meeting by chairman Professor Mauricio Terrones
- 18:15 Coffee/tea and poster session
