# Alpe d'Horst

1st – 7th of August

This summer from the 1st to the 7th of August we are organising a big event called Alpe d'Horst, to raise money for the Dutch Cancer Society (KWF). As you might have guessed, the idea is based on the famous Alpe d'Huez bike ride, where people try to climb the Alpe d'Huez 6 times for KWF. Instead of this mountain, we opted for the tallest building of the UT: the Horst. We want to climb the 53 meter high tower for 6 days non-stop, together with you!

You can register as a team of 3 to 6 people via our website. As a team you will climb the stairs for one hour, one by one, in relay form. After your team has finished, you are relieved by the next team. With your team you can strive to gather as many donations as possible. On the last day of the event (7<sup>th</sup> of August) an exclusive barbecue and a big open party are organised!

You can find more information on our website and on our socials like Instagram (@alpedhorst2022). Here we will keep everyone informed as much as possible.

Hopefully we will see the registration of your team appear soon and we can count on you for this KWF fundraiser. Together we can reach our goal of €51.000!
