FFNT lunch inspirational discussion “Fitting in: Working across cultures”, with Maria Vlasiou June 14, 2022

When: June 14, 2022
Time meeting: 12.30 to 14.00 hrs.
Location: The Gallery, room Erlenmeyer (and online)
Lunch included

FFNT would like to invite you for an inspiration lunch discussion with Maria Vlasiou that will take place on June 14 in The Gallery, room Erlenmeyer between 12.30 and 14.00 hrs and online.

Maria Vlasiou is a Full Professor at the University of Twente, an Associate Professor at the Eindhoven University of Technology (TU/e), and a Research Fellow of the European research institute EURANDOM. Her research is focused on the performance of stochastic processing interacting networks. Prof. Vlasiou’s scientific work has been funded by grants exceeding 3.7M from more than 10 science foundations, universities, societies, and organisations. For her contributions, she recently received the UPS George D. Smith Prize of INFORMS on behalf of TU/e for which she was project coordinator and lead contact.

Next to her research, she is active in promoting gender diversity in Mathematics in the Dutch academia through her roles as the President of the Association of Women Mathematicians in the Netherlands (EWM-NL) in 2017-2022 and as the National Ambassador of the Committee for Women in Mathematics of the International Mathematical Union.

The discussion will focus on the challenges that foreigners face making a career outside the country where one studied or grew up. Prof. Vlasiou brings with her a rich background having lived and worked across cultures in multiple countries: Greece, Australia and the United States. She will share her experience and highlight what worked for her to “fit in”.
