

## WORKING VIA UT FLEX AS A GERMAN STUDENT

If the German student wants to work as a student assistant and/or student on-call worker, he must enter into a employment contract FLEX. Before the German student can do this, he must declare in the UT FLEX application that he meets the following conditions:

- The German student performs his activities **exclusively** in the Netherlands
- During the employment contract UT FLEX as a student-assistant and/or student-on call worker, the German student will not perform any activities in Germany. This applies both activities for UT and to any other activities such as a second job in Germany.

### GRENSOVERSCHRIJDEND WERKEN

Jouw werk voor UTflex vindt uitsluitend plaats in Nederland

Ja  Nee

Ik verricht tevens werkzaamheden voor een werkgever gevestigd in Duitsland

Ja  Nee

The German student will only be able to enter into an employment contract UT FLEX if he answered YES to the first question and NO to the second.

If the German student works for another employer in Germany, his activities take place in Germany, it's no longer possible to work via UT FLEX. The activities for UT FLEX must always take place in the Netherlands.
