

INVITATION INAUGURAL LECTURE
19 JANUARY 2023

PROF. DR. ING. MEIK FRANKE

CHALLENGES IN PROCESS OPTIMIZATION FOR THE TRANSFORMATION OF THE CHEMICAL INDUSTRY

The Rector Magnificus announces that **prof. dr. ing. Meik Franke**, appointed on 1st January 2021 by the Executive Board of the University of Twente as Professor of Process Design and Optimization at the Faculty of Science and Technology, will give his inaugural lecture in the **Waaier Building of the University of Twente** on **Thursday 19th January 2023 at 16:00 hrs** to mark the occasion of this appointment. The inaugural lecture will be also streamed online. The link will be shared as soon as possible.

The title of the inaugural lecture is:

Challenges in Process Optimization for the Transformation of the Chemical Industry

The Rector Magnificus kindly invites you to attend this event.

Before the inaugural lecture, coffee and tea are served in the foyer of the Waaier building from **15:00 hrs**. After the lecture, there will be a reception where you may offer your congratulations.
