

INAUGURAL LECTURE
PROF. DR. MARIA VLASIOU
5 JUNE 2025

INAUGURAL LECTURE PROF. DR. MARIA VLASIOU STOCHASTIC INTERACTIONS

The Rector Magnificus announces that **Maria Vlasiou**, appointed in March 2020 by the Executive Board of the University of Twente as Professor of Stochastic Processing Interacting Networks at the Faculty of Electrical Engineering, Mathematics and Computer Science (EEMCS), will give an inaugural lecture in the Waaier building, on **Thursday 5 June 2025 at 16:00** to mark the occasion of her appointment.

The title of this lecture will be:
STOCHASTIC INTERACTIONS

THE ROUTE & MAP CAN BE FOUND AT:
utwente.nl/contact/route

The Rector Magnificus kindly invites you to attend this event, which can also be followed online.

Before the inaugural lecture, coffee and tea will be served in the foyer of the Waaier building starting at 15:00.

You may offer your congratulations during the reception, which will include a buffet, at the Foyer of the Waaier building, starting at 17.30.
