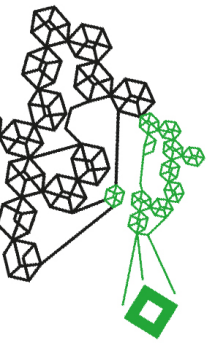
You have indicated that you will obtain your International Baccalaureate (IB) diploma this year. Therefore, we request your school to fill in this document. The University of Twente only accepts the subjects that are stated in The IB Diploma Programme (DP) curriculum from the school that can be found in IBO website. Please ask your school to fill in this document and include this in your application.

The University of Twente understands that some schools have a policy to not provide the predicted results to their students. If this applies to you, please have your school send your predicted grades to Student Services. Please make sure they include your name and UT student number (you will get this number once you have applied to the University of Twente) in the subject title. In your application, please upload a self-written document in which you state that your school will provide your predicted grades to the UT directly (if possible please also provide the email address of the sender).



As part of the admission procedure, the University of Twente will check the information which has been written below.

1. Please fill in the subject's official name, which will be mentioned on your IB diploma.
2. Please indicate your level of each subject (Higher Level / Standard Level)
3. Please fill in the language of instruction for each subject.
4. Please choose the exam session you will take.
5. Please fill in the predicted grade. Your school should be able to determine your predicted grades based on your previous and current performance.

For all of the admission requirements, please take a look at our website.
