Date September 7, 2020

University library Twente terms and conditons, including application for a library card.

1. The University Library is open to persons in possession of a valid library card. This card must be presented on request.
2. Library cards can be requested at the University Library Servicedesk.
3. UT-staff and -students have access to the library with their student or staff card.
4. UT-staff and -student cards also function as library card. The validity expires when the employee or student no longer has a University of Twente affiliation.
5. Saxion University of Applied Sciences students can obtain a UT library card on presentation of their student card at a reduced rate. Saxion University of Applied Sciences staff can obtain a UT Library card free of charge, on presentation of their Saxion employee card.
6. The University of Twente provides a free of charge library card for retired employees.
7. A special national agreement applies to employees and students from other universities in the Netherlands.
8. Other interested parties can obtain a library card for a yearly fee of € 15.
9. Identification is required when submitting an application form.
10. On submitting an application form the user agrees to accept the Library Code of Practice. The UT is not responsible for consequences due to abuse of the library card by third parties.
11. The director of LISA can deny library access, detailing the reason in a registered mail, sanctioned by the UT Executive Board.
12. It is possible to appeal against the rule mentioned in point 11 above; within the legally determined period, to the UT Executive Board.
