# Each color bead has a different category

Tell something about...

Dark blue: What hobby do you wish you had more time for?

Blue: If you could only wear one outfit for a year, what would it be?

Light blue: What's the most unexpected place you've ever visited?

Dark green: If you had to pick up a new sport today, what would it be?

Light green: What's a food combination you love but others find weird?

Dark pink: What's your favorite animal and why?

Light pink: Describe your perfect lazy day without using the word 'relax'.

Orange: What's a song that instantly puts you in a good mood?

Beige: If your life was a movie, which genre would you like it to be?

Yellow: If you could host a podcast on any topic, what would it be about?

Red: which aspect of the pre-master's programme excites you the most, and why?

Brown: What made you choose this pre-master's programme?

Black: What's something unique about UT that made you pick it?

Grey: What would your dream job be if money and location weren't an issue?

White: If you had to explain your field of study in one sentence, what would it be?

Salmon: What's one thing you're nervous but excited to learn during the pre-master's?

Purple: What's your favorite study spot?

Bordeaux: What's your ultimate hack for getting through tough study sessions?

NICE TO MEET YOU!

WHO ARE YOU?

An abstract graphic featuring several blue, low-poly, crystalline shapes of various sizes scattered across a black background. A series of thin, white, wavy lines flow from the left side, curving around and through the blue shapes, creating a sense of movement and depth.

History of Psychology

1. Maximum of two attempts per course

- *First attempt + re-sit*

**BINDING RECOMMENDATION  
RULES PRE-M PROGRAM**  
RULES (1)

UNIVERSITY  
OF TWENTE.

1. Maximum of two attempts per course

- *First attempt + re-sit*

2. Within two blocks / quartiles (including re-sits of block 1B/2B) at least 20 EC

- *After the first semester you must have completed 4 courses successfully*

1. Maximum of two attempts per course

- *First attempt + re-sit*

2. Within two blocks / quartiles (including re-sits of block 1B/2B) at least 20 EC

- *After the first semester you must have completed 4 courses successfully*

3. Within four blocks / quartiles (the first year) the entire generic part (30 EC) successfully completed

- *After year 1 all generic courses must have been completed successfully*

4. Only allowed to start 'Pre-master research practical' if successfully completed 'Academic writing' and a minimum grade of 5 for 'Research Methodology and Descriptive Statistics'

A series of thin, white, wavy lines that flow across the middle of the slide, creating a sense of movement and depth.

4. Only allowed to start 'Pre-master research practical' if successfully completed 'Academic writing' and a minimum grade of 5 for 'Research Methodology and Descriptive Statistics'

5. Only allowed to start the module that prepares for the Master's specialisation if successfully completed generic part and written test in the summer

- 
4. Only allowed to start 'Pre-master research practical' if successfully completed 'Academic writing' and a minimum grade of 5 for 'Research Methodology and Descriptive Statistics'
  5. Only allowed to start the module that prepares for the Master's specialisation if successfully completed generic part and written test in the summer
  6. The student can attempt for the module in preparation for the master's specialisation up to a maximum of two times. However, the student must first complete the whole pre-master before they can start the master. For the modules offered in blok 1B (M6 Mental Health 202000351 and Human Factors and Engineering Psychology 202000355), participation in the resit can result in not being able to start the master's programme in February, because these resits may take place after February 1st.

4. Only allowed to start 'Pre-master research practical' if successfully completed 'Academic writing' and a minimum grade of 5 for 'Research Methodology and Descriptive Statistics'

If the student does not meet these requirements the student is excluded from further following courses (with which the pre-master is terminated).

Psychology 202000355), participation in the resit can result in not being able to start the master's programme in February, because these resits may take place after February 1st.

Rules (as a binding recommendation) can also be found via / at:

- [www.utwente.nl/psy/premaster\\_psy](http://www.utwente.nl/psy/premaster_psy)
- your individual study plan

Important: notify study adviser timely if personal circumstances may affect your studies

Transfer minor students: in case of a positive binding recommendation but not having completed all courses in one semester: consult study adviser for continuation

### 3. YOUR STUDY PLAN

An abstract graphic on a black background. On the left, a series of thin, white, wavy lines flow horizontally. On the right, a complex, three-dimensional geometric structure is composed of many small, interconnected triangles in shades of green and grey. The overall composition is modern and dynamic.

Look at individual study plan + ask questions!

*STUDENT COUNSELORS & PSYCHOLOGISTS, WORKSHOPS/COURSES*

**3<sup>RD</sup> FLOOR, VRIJHOF BUILDING**

<http://www.utwente.nl/ces/sacc/en>

What to do?

- start in the first week
- don't underestimate (especially in case of known topics) → UT is more research oriented
- prepare lectures
- practice questions
- dare to distinguish between the main and secondary issues when making a summary
- review your test afterwards

**STUDENT SUPPORT**  
**UNIVERSITY VS. HBO**

A man in a dark suit and tie is riding a red bicycle from left to right in the foreground. He has a bag slung over his shoulder. In the background is a large brick building with a red-tiled roof. The building features several gabled sections with large, multi-paned windows. A sign on the right side of the building reads "Contact Centre". The sky is blue with scattered white clouds.
