

UNIVERSITY OF TWENTE EXCHANGE OPPORTUNITIES

High Tech, Human Touch: that's the University of Twente. Some 2,900 scientists and professionals working together on cutting-edge research, innovations with real-world relevance and inspiring education for more than 9,500 students. The enterprising university encourages students to develop an entrepreneurial spirit and is a partner of Kennispark Twente.

- As the only true American-style campus university in the Netherlands, the UT combines housing, study and recreational facilities on a green campus providing a lively and inspiring environment for its students and employees.
- With approximately 40 UT student associations organising activities throughout the year, it is not surprising that international benchmark studies (e.g. i-Graduate ISB) rank the UT as one of the best universities in the Netherlands.

YOUR OPTIONS FOR EXCHANGE AT THE UT:

HIGH TECH, HUMAN TOUCH (HTHT)

The HTHT minors are interdisciplinary packages for exchange. These packages are also open to local students. All HTHT minors are offered in English, and typically consist of two sub-modules of 15 EC each.

COURSES

In addition to predefined Exchange Study Packages or High Tech, Human Touch minors, you can always select individual courses as well, by using our designated Course Information System.

EXCHANGE STUDY PACKAGES

The Exchange Study Packages are balanced, coherent, well-structured, and self-contained sets of courses at a final Bachelor year academic level. All Exchange Study Packages are taught in English and typically consist of two sub-modules of 15 EC each.

TRAINEESHIP / INTERNSHIP

Besides study programmes, the UT also offers traineeships / internships for exchange students. This means you can join one of our research groups to contribute to our cutting-edge research.
