

The prospective deadlines for popular grants schemes and schemes of interest for UT researchers are presented chronologically.

Dates indicated are: final (i.e. confirmed by funder), expected (for recurrent calls, based on deadlines from previous years), or tentative (for Horizon Europe calls, as indicated by the EC in Work Programme; calls are expected to open/to be confirmed three months before deadline).

Call	Deadline	Expected/Tentative/ Final
ERC 2025 Consolidator	14 January	Final
Veni 2024 full proposal	28 January	Final
ZonMw Off Road	30 January	Final
MSCA 2024 Staff Exchange	5 February	Final
