subject	Education and Examination Regulations (EER) 2025-2026	

The Programme Committee (PC) of the degree programme Master Risk Management (MRM)

has seen:

- General part of the EER for bachelor's programmes of the BMS Faculty.
- General part of the EER for master's programmes of the BMS Faculty.
- The programme-specific part of the master's programme MRM.

has heard:

- The discussion with the programme director on 17-03-2025

Based on this discussion and the rights as prescribed in articles 7.13 and 9.18 WHW; BMS EER Article 2.2 paragraph 6 (with regard to the official language of the programme):

decides:

- to give their consent to:
 1. The way in which the education in the relevant degree programme is evaluated.
 2. The content of specialisations within the degree programme.
 3. The qualities relating to the knowledge, understanding, and skills that a student should have acquired upon completion of the degree programme.
 4. Where applicable, the organisation of practical exercises.
 5. The study load of the programme and each of the units of study that form part of it.
 6. Which non-funded master's degree programmes have a study load that exceeds 60 EC. (Only applicable to the master's programmes Public Management and Risk Management)
 7. The choice of the official language for the degree programme.

and advises positive

On behalf of the PC of MRM,

Kind regards,

J.P.S. (Sebastian) Piest
Chair PC MRM
