Call for Participation & Posters
Alice & Eve 2020
https://www.utwente.nl/aliceandeve2020

Alice & Eve 2020 is a free, one day meeting to celebrate women in computing in the Netherlands. The event is open to everybody, from Bachelor and Master students up to full professors.

This is the first time this event is held in the Netherlands. It is inspired by the BCS Lovelace Colloquium (see https://bcswomenlovelace.bcs.org/), which has been held for over 12 years. We hope to build up a similar tradition with Alice & Eve.

Alice & Eve will take place on January 24, 2020 in Waaier 3 at the University of Twente.

The day will feature talks, a poster contest, an exhibition on women in computing, a free lunch and coffee breaks.
