

# UNIVERSITY OF TWENTE. VRIJHOF CULTURE

## Use of our pop studios

Do you have a UnionCard and want to rehearse in our pop studios? That is possible. However, you have to meet a number of conditions before everything can be arranged.

- you have to have filled out a registration form completely
- you are fully aware of the pop studio regulations
- the whole band has followed a general instruction

### Specific requirements:

- each band member has a UnionCard or CampusCard
- the band consists for at least 75% of UT/Saxion students and/or UT employees
- you have to register as a pop group at Vrijhof Culture - you have to rehearse structurally with the band (not just once)
- the drummer has to follow drum instruction or be able to show a diploma

### A fixed time in the schedule?

Twice a year we organise a pop studio meeting together with Cultuurkoepel Apollo. In this meeting the schedule for the coming six months is determined. So twice a year you have to register again and on the registration form you can indicate your preferred time and day. The Popsi compiles all the applications and draws up a draft schedule. Then, at the semi-annual pop studio meeting, the final roster is set. This is also the time to swap or shift. If you want a fixed time in the schedule and this time is not yet occupied, we can adjust the schedule for you. Even if you stop, we would like to hear from you as soon as possible in order to make the time you freed up available to others.

The two semi-annual rosters run from October to February and February to October. In September and January, you can register your band for the upcoming schedule if you want to use the pop studios.

### Free blocks

Of course, you can just start in between. You can make use of the free blocks in the schedule and reserve a block at the ServiceDesk of the Vrijhof (tel. 8002). Reservations can only be made in the week in which the rehearsal takes place, you cannot make reservations a week (or longer) in advance.

### Sign off
