

4TU.Centre for Engineering Education

- Collaboration in 4-Technical Universities-board (<https://www.4tu.nl/cee/>)
- Inspiring, supporting and disseminating effective, high quality engineering education, through
 - Research (e.g., PhD students)
 - Evidence-informed innovations (e.g., SUTQ, T&L Fellows and UT TC)
 - Events (webinars and meetings, e.g., the hackathon AI in Education @ UT in April)
