SUBJECT
Decision of the Admission Committee of the University of Twente

Dear Name,

Thank you for your application to the Master of Science programme in 'Master Computer Science'. The Admission Committee of this programme has carefully assessed your application. The decision is: you are admissible to the MSc programme in 'Master Computer Science' starting 1 September 2019. We believe that your background will enable you to successfully complete the programme. It is our pleasure to congratulate you on this admission.

To continue enrolment to the programme you need to login to your Osiris account and respond to our Offer of Admission. As soon as you accept our offer, the formal registration and enrolment procedure will start. Your enrolment to the programme will be arranged after you have met all the formal and financial requirements.

Should you have any questions, please do not hesitate to contact us. We look forward to meeting you at the start of our introduction period.

With kind regards,
On behalf of the Admission Committee

Mrs. Another Name
Head of CES

If you disagree with the decision of the Admission Committee you may submit a written appeal to the University of Twente within 6 weeks. The appeal can be sent to the following address: Complaints Desk Student Services (Vrijhof 238G), P.O. Box 217, 7500 AE Enschede, the Netherlands. Please note that the decision of the Admission Committee will not be revised unless there are grounds for appeal (additional proof of admissibility).

If you have not responded to our Offer of Admission before the deadline, your application will be cancelled. Please respond to the Offer of Admission even if you are waiting for the results of a Scholarship application. You can always cancel your application later on without any repercussions (financial or otherwise) if necessary.

If you have received an Offer of Admission for a Bachelor's programme but you applied for a Master's programme this means that your Offer of Admission is to start a pre-Master's programme. To see which pre-Master's programme is associated with which Master's programme, please consult our [website](#). A pre-Master's programme is registered as a Bachelor's programme in the Netherlands which is why the Offer of Admission is for a Bachelor's programme.

For questions, please see our [FAQ](#).

PASO 1.A

APPLICATION REQUIREMENTS

In order to be eligible for a the University of Twente Scholarship, you should meet **all** the requirements below

- Application for an UT scholarship is a procedure separate from the application for course entry at the University of Twente. Regardless of funding, you will need to gain an admission letter first.
- You have been **(provisionally) admitted** to one of the qualifying UT Master programmes starting in the academic year 2022/2023 (September). Please note: After completion of your application, it may take up to 8 weeks before you receive the results.
- You must have a studentnumber.
- You have not graduated from a UT (under)graduate programme;
- You comply with the conditions for obtaining an entry visa in the Netherlands (if applicable);
- You comply with the general English language test requirement Academic IELTS 6.5 (or TOEFL iBT of 90) and an additional 6.0 (TOEFL iBT 20) on the subscore of speaking skills
- You are not eligible for a [Dutch study loan](#);
- The University Twente Scholarship is a scholarship for excellent students. Typically this means that you belong to the best 5 to 10 percent of your class

HOW TO APPLY

START YOUR APPLICATION

You have to apply for a Master's programme first. Once you applied for a Master's programme and received a (conditional) admission letter, you can apply for the scholarship with your student number. UTS is not available for Dutch and/or current UT students. The UTS is not available for Master's programmes at the Faculty of Geo-Information Science and Earth Observation (ITC). The UTS is not available for the pre-Master programme.
