

ADDENDUM TO ENROLMENT REGULATIONS 2025-2026: ARTICLE 2.1.10 APPLICATION FEE

Adopted by the Executive Board on 30 September 2024

1. This addendum supplements the Enrolment Regulations 2025-2026 as published on <https://www.utwente.nl/en/education/student-services/enrolment/enrolment-regulations/>
2. This addendum was approved by the Executive Board of the University of Twente on 30 September 2024.
3. Wherever there is any conflict between this addendum and the Enrolment Regulations, the provisions of the Enrolment Regulations are leading.
4. Notwithstanding any provisions under the Enrolment Regulations, the Executive Board of the University of Twente has decided that Article 2.1.10 is altered as follows:

Application fee

For certain groups of students, the request to enrol in Studielink will only be processed if an application fee has been paid. This applies to the following programmes:

- All Bachelor's programmes for all faculties;
- All (Pre) Master's programmes for the faculties EEMCS and ET.

Information about which students the application fee applies to can be found on the relevant [Bachelor's application fee website](#) and [Master's application fee websites](#).
