

ADDENDUM TO Selection and Placement Regulations 2025-2026: ARTICLE 1: Determination of selection criteria

Adopted by the Executive Board on 30 September 2024

1. This addendum supplements the Selection and Placement Regulations 2025-2026 as published on <https://www.utwente.nl/en/education/student-services/enrolment/enrolment-regulations/>
2. This addendum was approved by the Executive Board of the University of Twente on 30 September 2024.
3. Wherever there is any conflict between this addendum and the Selection and Placement Regulations, the provisions of the Selection and Placement Regulations are leading.
4. Notwithstanding any provisions under the Selection and Placement Regulations, the Executive Board of the University of Twente has decided that Article 1 paragraph 3 is altered as follows:

3. The institutional board determines how many times a candidate can participate in the selection procedure of a programme. For the programmes PSY and TG a candidate has the opportunity to apply a maximum of three times.
