For questions about the rehearsal studios, please contact: Vrijhof Culture, phone (+31) 53 489 4400, email: vrijhof-cultuur@utwente.nl

However, this does not apply to questions about the availability of the practice rooms.

Reservation / use

Reservation of a practice studio is only possible on the day of use. For information about the availability of a studio you can contact the reception of the Vrijhof, phone 053 - 489 8002.

Checks

At random moments checks are made whether the rules of use are being respected. In order to determine whether all users are in possession of a valid UnionCard/CampusCard, it is mandatory to carry a physical UnionCard/CampusCard, a student card or employee card with you. Vrijhof Culture reserves the right to deny access to the facilities to persons who do not abide by the rules of use.
