FAREWELL CEREMONY PROFESSOR HENK ZIJM PROFESSOR OF INDUSTRIAL ENGINEERING AND FORMER RECTOR MAGNIFICUS

On the occasion of the retirement of prof. dr. W.H.M. Zijm Professor of Industrial Engineering and former Rector Magnificus, the University of Twente organizes a farewell symposium, entitled:

INDUSTRIAL ENGINEERING AND SUSTAINABILITY
ON JUNE 7, 2018
FROM 13:30-15:30 HRS.

Various speakers will discuss the role of Industrial Engineering and Management research and its impact on sustainability, after a short break followed by the farewell lecture of professor Henk Zijm, from 16:00-17.00 h., entitled:
Sustainable Systems Engineering

We kindly invite you to participate in the symposium and attend the farewell lecture.
Save the date

The formal invitation will follow in the beginning of January 2018
