When, why, and how to use this form

With this form you apply for the bachelor's examination, which is the final formal step to obtain the bachelor's degree from the examination board (BEX) of Advanced Technology. Answer the questions in Adobe Reader, save an unsigned copy, and sign digitally.

Send this PDF (signed) to bex-at@utwente.nl 1 month before completing your last course, so any problems can be solved in time.

Visit www.utwente.nl/en/at/forms for the latest version of this form and information on the procedures, and how to make a digital signature.

Visit www.utwente.nl/en/at/organisation/examination-board for a copy of the Rules and Regulations, that also contain the conditions for graduation and 'cum laude'.

1. Do you have an approved and up-to-date course list? Select 1 of the 2 statements below by clicking on the button to its left.

- Yes. I agree that all of the courses on my latest approved course list will appear on the diploma supplement.
 No. I submitted a list recently, or will submit one at the same time that I send this form.

2. Which courses do you still have to complete, if any? Also enter the expected date of completion. For example, the date on which you take a resit exam.

Course number and name	Date of completion	Course number and name	Date of completion
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

3. Has the examination board approved your (plans for the) bachelor's assignment (BA)?

- Yes, my BA has been approved and I have already finished it. I have sent the report to bex-at@utwente.nl or will do so now.
 Yes, my plans have been approved and I am working on the BA. The colloquium is planned for the date:
 No. I have recently submitted a request to approve the planned BA, or will submit one now.

4. Have you submitted all special requests, if any, that you may depend on to graduate? For example, requests to compensate a grade 5 ('C5').

- Yes, I have submitted all requests (or I do not need any).
 No, I will submit them at the same time that I send this form.

5. Do you want to delay your official graduation date? This question does not refer to the date of the diploma ceremony, but to the date that you become an AT graduate in our administration, which also means the end of your registration as AT student. Some students delay this date so that they can remain an AT student while they are active in a course/project/event/team that requires participants to be students. Be aware that you have to pay tuition when registered as a student, even if not taking courses.

- No. (Graduation will be on the date of the last exam. If the last course is the bachelor's assignment, it is the colloquium date.)
 Yes, I want to delay graduation until...

6. What are your study or career plans after graduating AT? We use the anonymized statistics to inform new students about possible things to do after AT.

- I will register for a follow-up study program, such as a Master's. (Please list which university/institution and program/track below.)
 Other (please specify below)

Date

Comments Student Add a note here if your name, date of birth, or place of birth is spelled incorrectly in Osiris, to correct this for the diploma. Also mention any passed courses that should not be listed on the diploma supplement, for example if you are taking them to a Master's studies using the 'corona zachte knip' arrangement (if available).

Signature BEX

Decision BEX

- Graduated (all conditions are fulfilled)
 Conditional graduation¹
 Not graduated (explain in comments)

Comments BEX

¹ Conditional graduation is the most common decision. It means that BEX mandates the Office of Educational Affairs (BOZ) to check that the student has met all the conditions for graduation, following the education and examination regulations (EER) and the Rules and Regulations of the examination board, and using the approved course list. After BOZ confirms that the student has completed all courses and meets all conditions, a letter will be sent to the student to announce the graduation.
