SUBJECT
Teaching- and Examination Regulations (OER) M-AM 2017-2018

In addition to our earlier advice on the MSc EER AM, we want to raise two more minor points.

1. We agree with moving the course Nonlinear Dynamics from Q2 to Q3. We believe that this addresses the concerns about study load brought up by students in earlier meetings.
2. We agree with dropping the I from the course name PDE I.

Kind regards,

Hil Meijer,
chair Programme Committee AM
