

## **Agenda of the 189th Meeting of the Applied Mathematics Programme Committee**

Tuesday 16 April 2024  
15:45 – 17:15 hr. ZI 2126

- 1. Opening**
- 2. Minutes 188<sup>th</sup> meeting 27 February 2024**
  - Official minutes to be approved
  - Draft internal version
- 3. Announcements**
- 4. Advice / correspondence**
  - Mail B-coordinator about SEQ results M6
  - Mail from Mastermath about additions Rules and Guidelines Mastermath
  - Mail from Mastermath about next EC meeting on 12 April 2024
  - Mail from Mastermath sending agenda for EC meeting on 12 April 2024
- 5. Bachelor evaluations**
  - Module 2: Structures and Systems
  - Matlab for pre-masters ET
  - Calculus C for pre-masters
  - Calculus B for pre-masters
  - Discrete Mathematics + Intro to Math
  - Probability Theory and Statistics
  - Module 3: Signals and Uncertainty
  - Module 7: Discrete Structures and Efficient Algorithms
  - Module 11: Electives & Preparation Bachelor's Thesis
- 6. Master evaluations**
  - Complex Networks
  - Mathematical Methods
  - Statistics and Probability
  - Introduction to Mathematical Analysis
  - Game Theory
  - Nonlinear Dynamics
  - Measure and Probability
  - Applied Functional Analysis

# UNIVERSITEIT TWENTE.

DATE: 11 APRIL 2024

OURREF: EEMCS24/BOZ/10980/MvdK

- Optimal Control
  - Deep Learning – From Theory to Practice
  - Stochastic Processes
  - Statistical Learning
  - Discrete Mathematics + Intro to Math
  - Markov Decision Theory & Algorith. Methods
- 7. Mastermath OC meeting 12 April 2024, student evaluations**
- Parallel Algorithms
  - Continuous Optimization
  - Discrete Optimization
- 8. Master EER, Faculty Section 2024-2025**
- 9. AOB / Questions before closing the meeting**
- 10. Closure**

*Next meeting: 14 May 2024*
