SUBJECT
Second advice concerning Bachelor EER-AM 2020

Dear Programme Director, and others,

We have discussed the proposed EER for the Bachelor AM for the year 2020-21 earlier, see our advice dd 8 June 2020.

Considering the additional information provided for module 6 regarding the learning materials, and the final changes in learning goals in module 7 that properly reflect that the module is coherent, we now give our consent to the EER for the year 20-21.

Yours sincerely,

Hil Meijer,
Chair PC-AM
