#### **Further explanations:**

##### **Module 3.1a AND/OR Module 3.1b: Free Elective Module in Twente (15 EC or 30 EC)**

Students can choose between free electives that are offered by University of Twente:

- A university-wide offer of High Tech Human Touch electives. For example: Philosophy and the Governance of Science and Technology. These electives are 15 EC or 30 EC.
- An faculty-wide offer of elective modules (15 EC) from other educational programmes. For example: Crossing borders, International Business Administration, Psychology, or Communication Science.
- The lists of electives at the University of Twente are published on a special website: <https://www.utwente.nl/en/education/electives/minor/>
- In addition, other universities in the Netherlands or abroad may offer suitable modules (“minors”). These must be combinations that cumulate to 15 EC. Students are themselves responsible for enrolling at such institutions, conditional upon approval from University of Twente (contact dr. Rik Reussing). University of Twente will not cover additional tuition fee or other expenses.

##### **Module 3.1a: Internship (15 EC) OR Module 3.1c: Internship (30 EC)**

Students who wish to do an internship can choose between:

- A 15 EC version—either in the first quarter or second quarter of the fifth semester (module 3.1a). The 15 EC version of the internship covers the answer to a relatively small, uncomplicated research question. The internship report includes a reflection of the student on the internship.
- A 30 EC version in the fifth semester (module 3.1c). The 30 EC version of the internship includes answering a large, more complex research question. The internship report includes a reflection of the student on the internship.

#### *Procedures for the internship:*

1. Size of the internship:
  - a. A 15 EC internship is equivalent to 420 hours, including an internship report of 2.000 words. At least 320 hours must be spent at the hosting organization.
  - b. A 30 EC internship is equivalent to 840 hours, including an internship report of at least 4.000 words. At least 640 hours must be spent at the hosting organization.
2. Each internship addresses a research question, relating to a question/ problem in the hosting organization.
3. Organization of the internship:
  - a. The coordinator of the Internship Module is dr. Rik Reussing.
  - b. Students themselves are responsible for finding a suitable hosting organization for their internship.

- c. Students must find an “external supervisor” based at the hosting organization.
  - d. Students will be assigned an “internal supervisor” from the teaching staff of University of Twente.
  - e. For each internship, a contract must be signed by the hosting organization and the University of Twente coordinator of the internship module. The research question must be approved by the “internal supervisor” and the internship coordinator.
4. Students are responsible for regular contact with the supervisor and coordinator about progress.
  5. The assessment of the module will be done by the internal supervisor and the internship coordinator, in consultation with the external supervisor.

#### **Module 3.1d: Erasmus Exchange Programme (30 EC)**

Students can choose an Erasmus-exchange programme of 30 EC in an area that is relevant for the Joint Degree Programme from a list with partner universities from the University of Twente and the University of Münster. See for the partner universities of University of Twente, the Blackboard-site ‘Studying Abroad’. For arranging the learning agreement at the University of Twente, please consult the exchange officer of the Faculty BMS mr. Jaap Stout. For the partner universities of University of Muenster and arranging the learning agreement there, please consult the coordinator for the Joint Degree mr. Jurek Milde. The Joint Degree students can only apply for an exchange programme at one of the universities, not at both universities.

The content of the exchange programme of all students must be approved by the programme director. This approval is mandated to the coordinator of the programme at the University of Twente dr. Rik Reussing. So please contact him on the choice of the courses of the exchange programme.

#### **Module 3.1e: Elective Thematic Modules in Münster (30 EC)**

Students can choose elective thematic modules that are offered in Münster, e.g. Peace- and Conflict Studies, Local and Regional Governance, Global Governance and Niederlande-Deutschland Studien.

#### **Semester 6:**

- The *Bachelor thesis semester* (30 EC) consists of a professionalization module called the Craft of Public Administration Research of 15 EC (module 3.3) and a bachelor thesis circle of 15 EC (module 3.4).

#### **Module 3.3: The Craft of Public Administration Research (15 EC)**
