

CURRICULUM VITAE

Personal Data

Full Name : Annisa Joviani Astari
Nationality : Indonesian
E-mail : annisajo@gmail.com, a.jovianiastari@utwente.nl

Research Interests

- Sustainability
- Globalization and domestic policy change
- Environmental Policy
- Institutional stability and change
- Power relations
- Palm oil

Publications

Sunardi., Astari, A.J., Pribadi, T.D.K., Rosada, K.K., (2017) *Accumulation and elimination of mercury in Nile Tilapia (Oreochromis niloticus) under an elevated temperature and its ambient concentrations*. Journal of Nusantara Bioscience 1 (1), DOI: 10.13057/nusbiosci/n090104, pp. 18-22.

Astari, A.J., and Lovett, J.C. (2015) *Globalization and domestic policy change: the case of mandatory palm oil certification policy in Indonesia*. Proceeding of the international symposium on sustainability science: understanding climate change phenomena for human well-being, 8-9 september 2014, Universitas Padjadjaran, West Java, Indonesia, PSMIL (Postgraduate Programme on Environmental Studies), ISBN: 978-602-72141-0-1, pp. 144-151.

Astari, A.J., Asdak, C., Abdoellah, O.S., and Lovett, J.C. (2015) *The development of a local ecological criteria for sustainable oil palm plantation in Belitung Island (a case study in Nyuruk and Tanjung Rusa)*. Proceeding of the international symposium on sustainability science: understanding climate change phenomena for human well-being, 8-9 september 2014, Universitas Padjadjaran, West Java, Indonesia, PSMIL (Postgraduate Programme on Environmental Studies), ISBN: 978-602-72141-0-1, pp. 222-229.

Sunardi, Kaniawati, K., Husodo, T., Malini, DM., Astari, AJ., (2012). *Distribution of Fish in the Upper Citarum River, and Adaptive Response to Physico-Chemical Properties*. HAYATI Journal of Biosciences. 19 (4), 191.

Astari, A.J., (2011). *"Water Footprint", Suatu Konsep Penelusuran Jejak Kaki Air*. Article in Pikiran Rakyat, Indonesian National Newspaper.

Educational Background

2008 - 2010	Master of Science (M.Sc), University of Twente, The Netherlands and Master of Environmental Science (M.IL) Padjadjaran University (UNPAD), Indonesia (Double Degree Program) <i>Final Thesis : The Development of Ecological Criteria for Sustainable Oil Palm Plantation in Belitung Island (A Case Study in Nyuruk, East Belitung District and Tanjung Rusa, Belitung District, Indonesia)</i>
2003 - 2007	Bachelor of Science (S.Si) (Cum laude) Padjadjaran University (UNPAD), Indonesia <i>Final Thesis : Effect of Ambient Concentration and Temperature on Mercury Chloride Bioaccumulation on Oreochromis niloticus L.</i>

Courses and Seminars

2017	CERES summer school, Utrecht University, The Netherlands
2013	Quantitative Methodology and Economics Quantitative, CERES Course, Utrecht University, The Netherlands.
2013	Qualitative data analysis for development research, CERES Course, Utrecht University, The Netherlands.
2010	Training of Research Proposal and Scientific Article Writing for International Journal, PPSDAL and LPPM, Padjadjaran University.
2010	Negotiations Training Course, In the Framework of International Master Program of Saxion University of Applied Sciences, Deventer, The Netherlands.
2009	Energy Management and Cleaner Production in Small and Medium Scale Industries (EMSI), CSTM, University of Twente, The Netherlands.
2004	One day seminar, “Green campus management” (Institute of Ecology and Biology Department, Padjadjaran University with Ministry of Environment).

Skills

Computer and Programming Knowledge:

Microsoft Office, Map Info, Adobe Photoshop, Atlas.ti software, NVIVO.

Language Skills:

Indonesian (Native Speaker); English (Fluent, IELTS 6.5)

Academic Experiences

Oct 2011 - March 2012	Projects with CIRE Team: Evaluation on Beasiswa Unggulan-Indonesia Ministry of National Education Scholarship Scheme.
2008	Research staff of water quality monitoring program in Cirata and Saguling water basin.

- 2007 Laboratory assistant in *Daphnia* sp. treatment training program, Institute of Ecology, Padjadjaran University.
- 2007 Practical work student as laborant toxicology, Institute of Ecology, Padjadjaran University.
- 2007 Supervisor of National Public University Enrollment (SPMB), Bandung.
- 2006 – 2007 Lecture Assistant of Animal Physiology Subject, Biology Department, Padjadjaran University.

Organizational Experiences

- 2003 Member, Art and Sport's at Biology Department, Padjadjaran University
- 2003 Member, Association of Biology Student, Padjadjaran University
- 2000 General Secretary, Class Representative Division, Senior High School
- 2000 Member, Volleyball Senior High School Associaton
