

Qualtrics Registration – BMS Students and Employees

As announced, the Faculty of BMS is phasing out Qualtrics following SURF's negative advice based on a recent Data Protection Impact Assessment (DPIA). **It is no longer possible to register for a Qualtrics account.**

EXISTING ACCOUNTS

Once your accounts has not been used for more than one year, it will be automatically deactivated and all data will be removed. Accounts marked for removal can not be reactivated.

CROWDTECH

We are currently preparing the transition to one or more alternative survey platforms. In the meantime, UT staff and students can use **Crowdtech** as the university-supported survey platform:
