SUBJECT: 2-YEAR MASTER, LVHO

Dear Dean,

The Faculty Council has received and discussed the proposal submitted by yourself and the Programme Director for the Teacher Education in Society Studies Master (LVHO). We understand that the programme is making an important change from a one-year to a two-year programme to conform with current expectations in the field.

The original submission of 19 February was discussed, and after consultation subsequently amended and resubmitted on 8 March. That version include details about courses that were previously not included, and is the subject of this letter.

We are pleased to approve the plan of 8 March and in that form and wish the Programme Director, staff and students much success with the new programme.

Sincerely, on behalf of the Council,

Shawn Donnelly  
Chair
