SUBJECT
Advice OLD Mater PSTS

Dear dean,

In a letter dated on the 10th of August 2017, you asked the Faculty Council to give advice on the appointment of the Program Director for the Master of Philosophy of Science Technology and Society (BMSHR17.290). In a meeting with the Faculty Council on September 12, 2017, this was shortly discussed, but because a CV of the candidate was missing we postponed the decision. The day after the FC meeting, you sent us a CV on the basis of which we were able to give a positive advice about the candidate. We expect the selected Program Director to give a positive contribution to this master program and we very much she will enjoy this part of her job at the faculty.

Kind regards,
On behalf of the Faculty Council BMS,

Henk van der Kolk
Chair Faculty Council BMS
