SUBJECT
Name changes LVHOM, LVHOZV and SEC

Dear dean,

In our meeting on the 31st of October, we were able to discuss name changes of the 'Master Leraar Voorbereidend Hoger Onderwijs in Maatschappijleer en Maatschappijwetenschappen' (LVHOM), the 'Leraar Voorbereidend Hoger Onderwijs in Zaakvakken' (LVHOZV) and the 'Master Science Education and Communication' (SEC).

The suggested change follows a national effort to reduce the number of labels for similar programs and was coordinated by the NVAO/VSNU. According to the documents you sent, the OLC of these programs supports the name change.

The Faculty Council was asked for consent.

Given the arguments and the strong national and local support for the name changes, the Faculty Council gives its consent for the suggested name change. It also notes that one of the name changes is against the trend at this university to switch to English as the main language used in administration. This, however, is not a reason to object to the suggested name change, given the fact that these programs train future teachers working in Dutch High schools.

Kind regards,
On behalf of the Faculty Council BMS,

Henk van der Kolk
Chair Faculty Council BMS
