SUBJECT
Advice annual report of the BMS Examination Boards

Dear dean,

On 21 June 2018 the Faculty Council received a letter (BMS 2018.477) with a response by the Faculty Board to the annual report of the BMS Examination Boards. This letter was suggested by the Faculty Council in a meeting with the Board on 13 March 2018 (the report from the exam committee is dated 7 March 2018).

The Council welcomes the extensive response to the report of the Examination Boards and is positive about its contents. However, the Council advises the Board to be more specific in its policies in this context. In the letter from the Board it is not always clear what the Board wants to do and how the Board want to do that. Secondly, we advise the Board to ask the examination boards to reflect on the suggestions made in the report of March and the positions taken by the Board in this letter, in its yearly report of March 2019.

Kind regards,
On behalf of the Faculty Council BMS,

Henk van der Kolk
Chair Faculty Council BMS
