SUBJECT
Advice Structure report Professor Technology and Human Identity

Dear dean,

On 22 June 2018 (BMS 218.479), you asked for advice about and consent with the profile and structure report for a Professor in Technology and Human Identity. This is a closed procedure (with a known candidate). You informed the FC about the background of this closed procedure.

Since this is a candidate from within the faculty, with a strong position, the Faculty Council thinks that it is of the utmost importance that the Search Committee (the BAC) is able to reach an independent and legitimate position with regard to this candidate. We therefore suggest to exclude from the BAC people who are directly and formally supervised by the candidate and possibly to find extra candidates from outside the university.

Kind regards,
On behalf of the Faculty Council BMS,

Henk van der Kolk
Chair Faculty Council BMS
