SUBJECT
Appointment prof. dr. Iacob

Dear members of the Faculty Council,

I am writing to request your advice with regard to the (intended) appointment of professor M.E. Iacob (of the IEBIS department) to the post of Programme Director of the Bachelor's programme in Business & IT and the Master's programme in Business Information Technology.

As you are aware, the official secretariat of both programmes will switch back from EEMCS to BMS in the coming academic year.

The intended appointment will be for 3 years, 16 hours per week, with effect from 1 August 2018.

I look forward to your response. The next step will be to submit a formal request to the Executive Board for approval of the intended appointment.

Kind regards,

Prof. dr. C. Aydin
