

Advice EC ECB/EMM

Relating to the (master) ECB:

- 1) The footnot on page 5 "Als het studieprogramma minder dan 30 EC omvat etc." refers to the other master. Please change 'LMM & EMM' to 'ECB'.
- 2) The footnote is different from title of OER 'minor' or 'module', synchronise. This one also in the other master plan.
- 3) The table on page 9 (5.3.1) has been changed: all courses are changed to hearcolleges. Please consider this table, because this change might suggest these courses only will be lectured
- 4) Please mention on page 13 "4g. Examination Board" how students can send a request with reference to the EER.

Relation to the master EMM:

- 1) Table 2 (page 11) is not very clear to the student and needs more explanation.
- 2) Please remove (pag 14): "en er voldoende voortgang is gemaakt (naar het oordeel van de vakdidacticus) met de educatieve vakken van het tweede kwartiel (Onderwijskunde 2, Vakdidactiek 1)".
