A photograph of a modern, bright classroom or study area. Several students are seated at long white tables, working on laptops. The room features large windows on the right side, letting in natural light. The ceiling has exposed wooden beams and large, cylindrical, metallic ventilation ducts. The walls are also made of wood, creating a warm and contemporary atmosphere.

EUROPEAN CREDIT TRANSFER SYSTEM (ECTS)

- In the Netherlands 1 EC equals 28 hours of work; classes + self study
(the actual effort may of course vary per person)

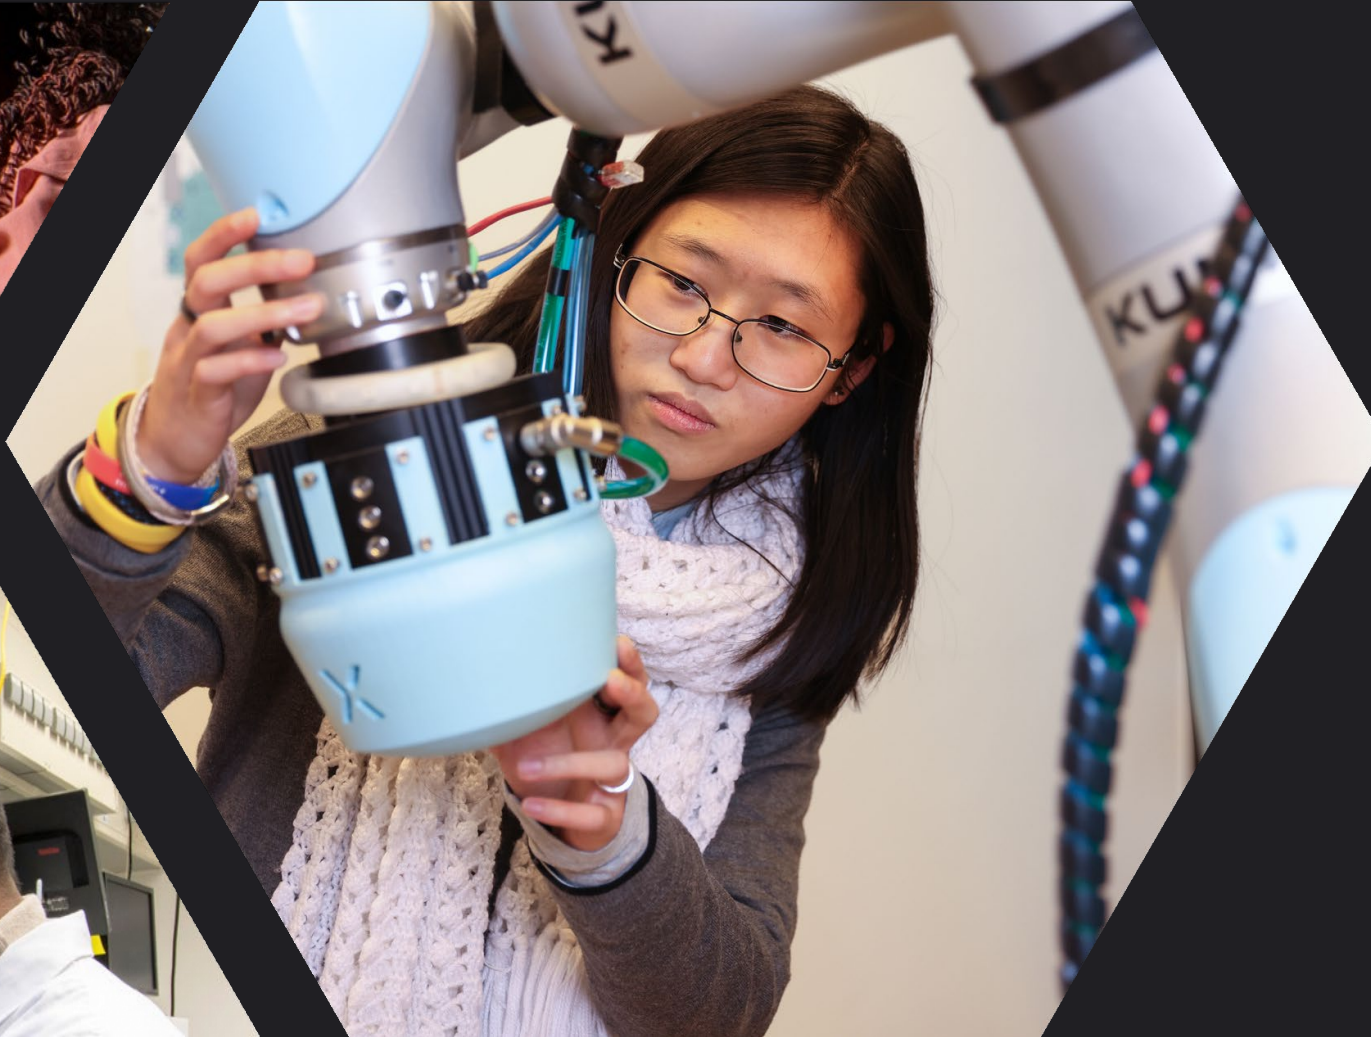

DUTCH GRADING SYSTEM

.....

Grades can vary from 1 to 10, where 1 is the lowest grade and 10 is the highest grade

- 5 or less =fail
