

Dear upcoming master student Business Administration (BA),

In the beginning of September 2017 you will start your master programme. With this message we want to inform you about the orientation programme of our Faculty, which will take place on **Friday 2 February 2018**.

We are organizing an interesting day which will give you a chance to:

- meet your fellow students, study advisor and study programme coordinator
- learn about cultural differences, in particular in educational situations
- ask questions about your studying and study programme

Please find the details of the programme at <https://www.utwente.nl/en/bms/kick-in/>. The programme, including lunch, is free of charge. You need to register **before January 26** for the introduction programme on this website. More information about the programme specific part in the afternoon will be announced soon on this website.

The first quartile starts on Monday 5 February 2018. The academic calendar can be found on the [University website](#).

Kind regards,

Michel Ehrenhard
Programme director

André Veenendaal
Programme co-ordinator

Charlotte Röring
Study Advisor

Important

Please note:

This letter is **not** a letter of admission. Once you are admitted to (the master or pre-master of) the study programme you applied for, the programme will send you a separate letter of admission.

Information for specific groups of students

Students from outside the Netherlands

For students from outside the Netherlands there is a special programme, organized by the University's International Office, to help you find your way around the Campus and the city and to help you with a number of practical issues, such as (health) insurance, visa and housing.

The Kick-In Committee will inform you about it separately.

Students who do or did their bachelor at the University of Twente

For students who are doing or did their bachelor at the University of Twente the programme on 2 February may contain some information they already know.

Nonetheless we would really like you to participate in the programme to meet your new fellow students.

Pre-master students

Your letter of acceptance states your pre-master programme, i.e. which courses you will take.

The first quartile starts on Monday 5 February 2018.

Master students

The first quartile starts on Monday 5 February 2018.
