

## Announcement of the Special ORAHS 2012 Issue of Elsevier's *Operations Research for Health Care* journal

In addition to the Conference Proceedings, a Special Issue of Elsevier's **Operations Research for Health Care** journal will be dedicated to the ORAHS 2012 conference, the 38th meeting of the EURO working group Operational Research Applied to Health Services.

Submissions will be reviewed according to the standards of the OR for Health Care Journal. The special issue is open to everybody.

Submit your manuscript via <http://ees.elsevier.com/orhc/default.asp>, and select ORAHS 2012 as the "Article Type" to be considered for this special issue.

Important dates:

- Submission deadline: November 1, 2012
- Notification to authors: March 1, 2013
- Resubmission deadline: May 1, 2013
- Notification of acceptance to Special Issue: July 1, 2013

We look forward to your contributions!

Ingrid M.H. Vliegen & Erwin W. Hans
