

Hello! My name is Thomas Hazewindus, I am a third year bachelor student Industrial Engineering and Management. At the moment I am the Secretary and Commissioner of Internal Affairs of Study Association Stress. This year, I am on the list for the University Council of UReka at #4 and the Faculty Council of List Stress at #5!

In my board year, I learned how much students contribute to this university. As Commissioner of Internal Affairs, I have seen how much students develop themselves whilst contributing to the university. Next year, I want to ensure that the UT adopts a Student Driven Strategy!

With the five of us, we want to make a difference by using the knowledge and experience related to educational and organisational processes that we gained in our board year. A board year where we actively contributed to achieving changes in educational procedures to make sure students are better represented in influential advisory bodies throughout our entire faculty. On top of this, the understanding that we built up of the way our faculty is organised now, made us realise that we as students can and have to act to further improve the current status of student involvement.

Vote for better student involvement, vote for List Stress!
