

Meeting Electoral Committee 20 April 2020

Present: Jan van Diepen (chair), Marijke Peijster-Terpelle, Louise Rempkens, Jasmine Verenjans –van der Weerd (secretary), Karen Wever.

1. Due to the Corona crisis we cannot convene public meetings. We hold virtual meetings, from our homes. For the sake of transparency we will publish our decisions on our [internet pages](#).
2. We continue the election based on the registers that have been generated on 6 March. The public inspection had failed due to “Corona” so now we offer students and staff the option to inquire the correctness of their position on the register, in case of reasonable doubt, by [email](#) to the secretary.
3. We accept the revised schedule of the University Council as framework for our schedule. We will publish a revised schedule on our [webpages](#).
4. For nomination it will be difficult for candidates to collect the required signed endorsements. We decided that the nominee list must show endorsements with names and email addresses instead. At the form a statement will be added that the endorsers have consented to be mentioned. The nominee list forms are sent in by [email](#) to the secretary.
