

*October 26<sup>th</sup>, 2020*

Today October 26<sup>th</sup>, 2020, the Electoral Committee has examined the nominations for the additional elections for the Faculty Council BMS (staff only) as produced on the nomination day October 16<sup>th</sup>, 2020.

The committee has verified the eligibility of all candidates and of their endorsers according to the Election Rules.

Unfortunately we had to inform two candidates that due to the current regulation they are not able to stand as candidates and even are not able to cast their vote for they are not registered in the Electoral Register of 6 March 2020.

We informed the Faculty Board, the Faculty Management Team and the University Council of this situation and will discuss the possibilities to adapt the regulations. But for now we have to act according to the current regulations.

Therefore we communicate to you the preliminary lists of candidates for the elections held in the week from November 16<sup>th</sup> till November 20<sup>th</sup>, 2020.

- 1. A. G. Sigurðardóttir**
- 2. J. Lucassen**
- 3. T.H.S. Eysink**
- 4. H. Schiele**
- 5. H.C. van Beusichem**

All candidates are kindly requested to hand in a short presentation/statement in which one presents themselves to the voter. This statement will be included in the voting application VUUR. Please send in this statement (including a photo) before November 2nd, 17.00 hrs. ultimately, with a maximum of 250 words to [Jasmine van der Weerd](#).

Best regards,
