

Hello! My name is Jitske, a third year IEM BSc student and I am on the list UReka for the Faculty Council of BMS. As a student member of the Faculty Council last year and as former Commissioner of Educational Affairs at Study Association Stress, I have acquired a lot of insights on how the UT functions. During my board year, I had the pleasure of closely working together with the staff of BA, IBA and IEM. Among other things, this showed me the dedication of the staff members but also the continuous room for improvement in favor of the students. Together with UReka, I will try my best to make sure that the faculty learns, understands, and integrates the ideas of students in their plans. I am looking forward to working together with the faculty.
