

Rainer is Associate Professor for Entrepreneurship with BMS, NIKOS. He has been with the UT for the past eight years. He has has multifaceted experiences in the faculty that he wishes to bring in into council work: He has been an active FC members for the past two periods. He was also OLC member for one period, and the lead for the Management Research Self-Evaluation report. In his council work, he balances issues of education, research, and organization to help shape the Faculty in the next two years.
