

To the dean of the faculty BMS
Prof.dr. T.A.J. Toonen
c.c. Chair Faculty Council

In response to our second call to nominate for a seat in the Faculty Council (until August 31st), three students put themselves forward for a position. The candidates all met the condition of being enrolled in a degree programme of the Faculty BMS on 1 March 2016 and had signed a willingness statement. Since the number of candidates equaled the number of positions no election needed to be held.

These three students will be appointed in the student body of the Faculty Council
