

Yorick Moleman (*Faculty Council BMS*)

Address Secretarial Office Faculty Council
BMS | Cubicus | B322
PO Box 217
NL - 7500 AE Enschede

E-mail: y.moleman@student.utwente.nl

Telephone: 053-489 3611 (Secretarial office)

Background

In 1996, I was born in Drachten, Friesland, where I also finished my high school. I chose to go to Enschede to study Industrial Engineering and Management, because the combination between the engineering and the business courses fits me perfectly. This year I will most likely finish my bachelor's degree. During my board year, I noticed that students did not know what the faculty council was, what it did and that it even existed. Therefore I want to contribute to making the faculty council more transparent. On top of this, the understanding that I built up of the way our faculty is organised now, made me realise that we as students can and have to act to further improve the current status of student involvement.
