How do you get to the University of Twente?

By car:

To the University of Twente:
Take the A35, direction Enschede, take exit Enschede-West and follow the signs UNIVERSITEIT

- For Het Capitool 15 (faculty of Business, Public Administration and Technology):
Turn left on the roundabout. You are now driving on the street called Het Capitool. The building 'Capitool 15' can be found on the right-hand side (diagonally across from the railway station).
- For Institutenweg 1 (faculty of Behavioural Sciences):
Turn left into the first street after the roundabout. You are now driving on the street called Institutenweg. The building Institutenweg 1 is immediately on the left-hand side, on the corner of the street you were driving on previously.

By train/by bus:

You can reach the University from the railway station Hengelo, Enschede and Enschede Drienerlo. There is a bus to the direction of the university nearly each half an hour. The building Capitool 15 is opposite the railway station Drienerlo. The building Institutenweg is close to the University campus and is easily reached by public transport. For more information about public transport to the campus, please call 0900-9292.
