

# CBL grant: minor Energy Transition Challenges

## Goal:

- Develop a new minor
- CBL based
- Energy Transition at the UT
- Required pre-knowledge: minor ET Perspectives

## Team:

Cora Salm  
Frank van den Berg  
Cheryl de Boer  
Jurriaan Schmitz

## Main results:

Successful pilot with 10 students  
Two wonderful projects  
Student appreciation: **8.6**  
Minor approved for 23/24

## Lessons learned:

- Need teachers with CBL affinity
- Need expert support (e.g. CELT, Frank)
- Ideal group size 5 students
- Selective intake is critical success factor
- Pass/fail mark preferred

## Advice:

Sjoerd de Vries  
Mathieu Odijk  
Marika Boertien

## Follow-up:

Next year, 30 students max.  
Looking for more teachers  
Students recommend to provide more structure 😊
