

YOUR ERASMUS+ INTERNSHIP IN SLOVAKIA

Who are we

Placement Slovakia is an internship programme providing free service for individual higher education students, graduates and young professionals from across the EU interested in doing an Erasmus+ internship in Slovakia.

The programme is managed by WorkSpace Europe - 1st and only Slovak Higher Education Mobility Consortium for Erasmus+ traineeships, accredited by European Commission.

We are based in the Slovak capital Bratislava and our team has over 6 years experience in arranging international work experience for higher education students, graduates and young professionals within EU supporting programmes. We cooperate with Slovak higher education institutions, local chambers of commerce, sectoral associations, NGOs and wide network of Slovak and international companies.

What kind of internships we provide

We arrange 2 types of internships:

- Long-term internships (5 months or longer). Trainees are provided with free accommodation on the top of our standard support.
- Short-term internships (up to 4 months). Trainees are provided with our standard support.

All our internships are with English working language and you can start anytime of the year. We provide internships in almost all sectors and wide variety of host organizations, where trainees can use and develop their skill sets in practice.

What we offer

Placement Slovakia programme is completely **free** for trainees.

- We find you the right internship position regarding your skills.
- We help you with all the necessary paperwork and provide you all practical regarding the country, city, transportation etc.
- We provide you with accommodation free of charge in case of long-term internships or help you to find one when you decide for the short-term internship.
- We pick you up upon arrival in the city of your internship and give you a practical introduction.
- We keep in touch with you and we'll track your progress during the internship plus assist you in case of an emergency.
