

Annual report Programme Committee Civil Engineering (CE/CEM/CME) Academic year 2022-2023

Dr. ir. M.J. Booij, chair Programme Committee CE/CEM/CME
December 1, 2023

1. Introduction

The Programme Committee (Opleidingscommissie – OLC - in Dutch) of the Civil Engineering programmes (PC-CE) of the University of Twente provides advice on matters pertaining to education, specifically on possible changes to the programme, reactions to the results of student evaluations and overall teaching and learning matters that affect students and our programmes. The PC-CE advises on the three-year BSc Civil Engineering and the two-year MSc programmes Civil Engineering and Management and 4TU Construction Management and Engineering (CME) programmes.

The purpose of this annual report is to report on changes in the functioning of the committee, its members and advices provided to the CE programmes in the academic year 2022-2023.

2. Changes in the functioning of the committee

In the past academic year there have been no major changes which affected the functioning of the committee.

3. Committee meetings academic year 2022-2023

The PC-CE has met 5 times in the academic year 2022-2023. The agenda of the meetings followed the annual agenda of the PC-CE.
