

Hello.

Is it you we're looking for?

Intern - Product Management RMC

Job Reference Code: [UTW34158](#)

Are you looking for a challenging Internship that offers you a valuable learning experience in one of the fastest growing and most exciting industries of today? Are you looking for an organization that offers you the opportunity to be part of a dynamic and international team and values your own initiatives and ideas? Do you have affinity with technology, location based services, product management, data analysis, communication, international business, and, and do you also have a hands-on mentality? Then an internship at HERE might be something for you!

HERE Global B.V. offers the opportunity for an intern to experience and participate in the day-to-day activities of the HERE Product Management team. We have two open positions for a trainee ('meeloopstage') available to support the Product Management Team of the Regional Map and Content Group within HERE Global B.V. in Veldhoven. The trainee we're looking for is a 2nd or 4th year HBO student of, for example, the following studies: Bedrijfseconomie, Commerciële Economie, International Business Economics or International Business and Management Studies. The period of the traineeship is at least 5 months.

Who we are

HERE is a leader in navigation, mapping and location experiences. We combine highly accurate and fresh maps with cloud technology to enable rich, real-time location experiences in a broad range of connected devices – from smartphones and tablets to wearables and vehicles. To learn more about HERE, including our work in the areas of connected and autonomous driving, visit <http://360.here.com>

What you'll be doing

Assist the Product Management team with day-to-day tasks as well as projects, including but not limited to:

- Perform desk research (internet) on competitive offering and market intelligence
- Analyze market studies, market information and research data
- Maintain the roadmap data within our roadmap system
- Assist with the creation of PowerPoint presentations covering location based content related topics
- Support content sourcing activities
- Analyze application specific user feedback & report on overall conclusions and recommended improvements

What you'll need to bring to the job

Are you a candidate for an internship at HERE? You are if you:

- work well in a dynamic and international environment
- communicate in a clear and concise manner
- have excellent English written and verbal skills
- have experience with office applications, in particular PowerPoint and excel
- dare to take initiative
- are a team player
- are well organized and can work independently
- have some affinity with technology, location based services, internet and web 2.0 applications

What we offer

HERE has all the ingredients that make for a vibrant place to start your career. From day one, you will be immersed in a culture of cutting-edge technology where your ideas will be encouraged and embraced. After all it is new ideas, new ways of thinking, and new approaches to solving real-world problems that enable us to constantly push the boundaries of digital map-making. At HERE, we guarantee you an opportunity to expand your knowledge and develop your skills.

How to apply

Please send an email with your CV and do not forget to include the job code UTW34158 to careers@here.com.

We are looking forward to get to know you!
