

Hello.

Is it you we're looking for?

# Intern – Business Planning

Job Reference Code: UTW34289

Are you looking for a challenging Internship that offers you a valuable learning experience in one of the fastest growing and most exciting industries of today? Are you looking for an organization that offers you the opportunity to be part of a dynamic and international team and values your own initiatives and ideas? Do you have affinity with technology, location based services, data analysis, communication, international business, and do you also have a hands-on mentality? Then an internship at HERE might be something for you!

HERE Global B.V. offers the opportunity for an intern to experience and participate in the day-to-day activities of the HERE Business Planning team. We have one open position for a trainee ('meeloopstage') available to support the Business Planning Team of the Regional Map and Content Group within HERE Global B.V. in Veldhoven. The trainee we're looking for is a 2nd year HBO student of, for example, the following studies: Bedrijfseconomie, Commerciële Economie, International Business Economics or International Business and Management Studies. The period of the traineeship is at least 5 months.

## Who we are

HERE is a leader in navigation, mapping and location experiences. We combine highly accurate and fresh maps with cloud technology to enable rich, real-time location experiences in a broad range of connected devices – from smartphones and tablets to wearables and vehicles. To learn more about HERE, including our work in the areas of connected and autonomous driving, visit <http://360.here.com>

## What you'll be doing

The Planning team is responsible for providing analytical information for strategic decisions, measurement and management control. You will be working with the business planning manager to provide reports/ analyses (including but not limited to):

- Product profitability model by country
- Product cost trends
- Budget forecasting

## What you'll need to bring to the job

Are you a candidate for an internship at HERE? You are if you:

- Enjoy working with financial data and are meticulous with handling numbers
- are interested in learning more about business modelling in practice
- work well in a dynamic and international environment
- communicate in a clear and concise manner
- have excellent English written and verbal skills
- have experience with office applications, in particular Excel and Access
- are well organized and can work independently
- have some affinity with technology, location based services, internet and web 2.0 applications

## What we offer

HERE has all the ingredients that make for a vibrant place to start your career. From day one, you will be immersed in a culture of cutting-edge technology where your ideas will be encouraged and embraced. After all it is new ideas, new ways of thinking, and new approaches to solving real-world problems that enable us to constantly push the boundaries of digital map-making. At HERE, we guarantee you an opportunity to expand your knowledge and develop your skills.

## How to apply

Please send an email with your CV and do not forget to include the job code UTW34289 to [careers@here.com](mailto:careers@here.com).

We are looking forward to get to know you!
